

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

January 13, 2000 LB 419, 659, 788, 1243, 1249-1252

SPEAKER KRISTENSEN: The amendment is adopted. Anything further?

ASSISTANT CLERK: Mr. President, I have nothing further pending.

SPEAKER KRISTENSEN: We now move to debate on the advancement of LB 419 as amended. Senator Coordsen, seeing no lights, you're recognized to close on the advancement of the bill.

SENATOR COORDSEN: Again, the only thing I would say in closing on the bill as amended is that with the cooperation of the Speaker we won't see...we may not see this bill again this session. And in any event, we won't see the bill, hopefully, again with the cooperation of the Speaker, until after the Revenue Committee has taken action on the package of bills that they'll be hearing this session. Thank you, members of the body.

SPEAKER KRISTENSEN: You've heard the closing. The question before the body is the advancement of LB 419 to E & R Initial. All those in favor vote aye; all those opposed vote nay. Have you all voted? Record.

ASSISTANT CLERK: 31 ayes, 0 nays on the motion to advance the bill, Mr. President.

SPEAKER KRISTENSEN: LB 419 is advanced. Items for the record.

ASSISTANT CLERK: Mr. President, new bills. (Read LB 1249-1252 by title for the first time.) In addition to that, Mr. President, I have a cancellation of committee hearing by the Health and Human Services Committee; notice of hearing by the Government Committee; amendments to be printed to LB 659, offered by Senator Lynch; a notice of committee hearing from the Transportation and Telecommunications Committee. And finally, a priority bill designation by Senator Price, designating LB 1243 as priority bill. That's all that I have. (Legislative Journal, pages 282-288.)

SPEAKER KRISTENSEN: Thank you. We next move to LB 788 on General File. Mr. Clerk.
